

To all our PBF Family,

As the situation in DC and the world changes daily, we wanted to give you an update regarding the status of our leagues. As always, the safety and health of our players and staff are our main priority. It has been recently announced that social distancing has been extended until Thursday, April 30, at the minimum. DC is under a public health emergency which is in effect until Friday, April 24. You can follow the local DC government status [here](#).

After much thought and consideration, the PBF Sports team has decided to **cancel** all spring leagues.

### What does that mean for you?

- **2020 Spring Flag Football:**
  - o If you are registered for spring flag football you will be fully refunded.
  - o You may register for the next football season with a \$5 discount. Use the code: **2020Redo** (discount code cannot be used with an additional discount code).
  - o If you registered at a discounted rate due to winning a championship or other promotions; please email [info@pbfsports.com](mailto:info@pbfsports.com) and we will honor the discount.
- **2020 DC City Ball Basketball:**
  - o Since this league already started, game play will likely pick up where it left off. If you were registered for spring basketball league you will either be issued a prorated credit or a prorated refund for the upcoming summer season if you have extenuating circumstances.
  - o For more information please contact [David@dccityball.com](mailto:David@dccityball.com).
- **2020 Capital City Kickball:**
  - o If you are registered for Capital City Kickball Spring League, please contact Butch at [info@goombay.net](mailto:info@goombay.net) and you will have an option of receiving a credit or refund for the Capital City Kickball League only.

We will continue to assess the situation and plan for summer and fall seasons accordingly. During this time it is our goal to remain engaged with all our players while looking for ways to support other small businesses and our players. We will be creating a few FREE activities for you to tune in from the comfort of your own home. Be on the lookout for #PBFUnplugged and #PBFOffseason.

If you are a small business that has been impacted, please shoot us an email [Info@pbfsports.com](mailto:Info@pbfsports.com) if there are any ways that we can support you in these trying times.

We hope that you will take COVID-19 seriously. Please take care of yourself and be mindful of the health of others. We must all play our part to reduce risk of exposure and #stopthespread.
